**Deep Tissue Healing**

(This herbal remedy is based on the Complete Tissue Formula by Dr. Christopher.)

In his natural healing work, he used it to restore bones, flesh and cartilage which had been severely damaged, i.e., burns, accidents, etc. It has restored health to broken bones, as well as helping to rebuild torn cartilage and sinews, fractures, etc. DTH contains an additional “powerhouse” herb : mauripauma. We recommend DTH as an aid in healing persistent/ re-traumatized injuries/wounds from accidents/surgery.
